

KOHRAM HELPLINE FOUNDATION

" Support. Educate. Empower. "

ABOUT US

KOHRAM HELPLINE FOUNDATION is a **non-profit organization** committed to **empowering underserved communities** through **disaster relief, healthcare, and educational support**. We focus on providing **essential resources** like food, medicine, and educational supplies directly to families in need, ensuring **no one is left behind**. By leveraging a network of **local volunteers and strategic partnerships**, we deliver **tailored solutions** that address the unique challenges faced by each community.

Our aims extends to empowering **individuals aged 18+** who have not completed their education, offering them **skills training** and opportunities to create a more **self-sufficient future**. At **KOHRAM HELPLINE FOUNDATION**, we believe that **collaborative efforts** and **personalized care** can bring **lasting change** to the lives of those who need it the most.

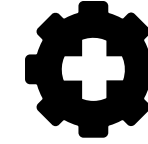

VISION

A world of dignity and opportunity for all.

MISSION

To empower and uplift communities.

THE PROBLEM WE'RE SOLVING

What's the challenge? Why does it matter?

Limited access to basic resources like food, healthcare, and education in **remote areas** worsens **poverty** and **inequality**. **Rising costs, lack of infrastructure, and insufficient support** leave many without essentials. A **lack of education** and skills hinders **self-sufficiency**. Addressing these challenges ensures **dignity** and **access for all**.

OUR UNIQUE SOLUTION

How our service solves the problem effectively

KOHRAM HELPLINE FOUNDATION tackles key challenges in underserved communities by:

Providing disaster relief and emergency support to ensure timely access to resources.

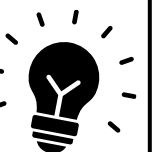

Promoting health awareness and facilitating healthcare services.

Partnering with local organizations to build sustainable solutions.

Empowering individuals through **education and skills training** for those 18+.

OUR WORK SO FAR

Expanding Access to Services

We've provided **disaster relief** and **emergency support** to 50+ remote villages, delivering essential resources.

Educational Empowerment

We've provided **books** and **stationery** to children and **skills training** to individuals aged 18+ who haven't completed their education, fostering **self-sufficiency**.

Building Community Capacity

We've trained 100+ **volunteers** and **local leaders**, expanding our ability to serve remote areas.

UNIQUE SELLING POINTS

We focus on empowering local communities, providing sustainable solutions tailored to their unique needs.

We deliver disaster relief, healthcare, and educational programs in underserved and hard-to-reach locations, ensuring no one is left behind.

By working with local organizations, volunteers, and government bodies, we maximize our impact and drive lasting change.

We offer a comprehensive range of services including health, education, disaster relief, and infrastructure development to ensure long-term community resilience.

OUR GOAL

Empower Communities

To provide essential resources and **skills training** that help underserved communities become **self-sufficient**.

Expand Reach

To extend our **services** to more remote areas, ensuring that no community is left behind in times of need.

Promote Sustainable Change

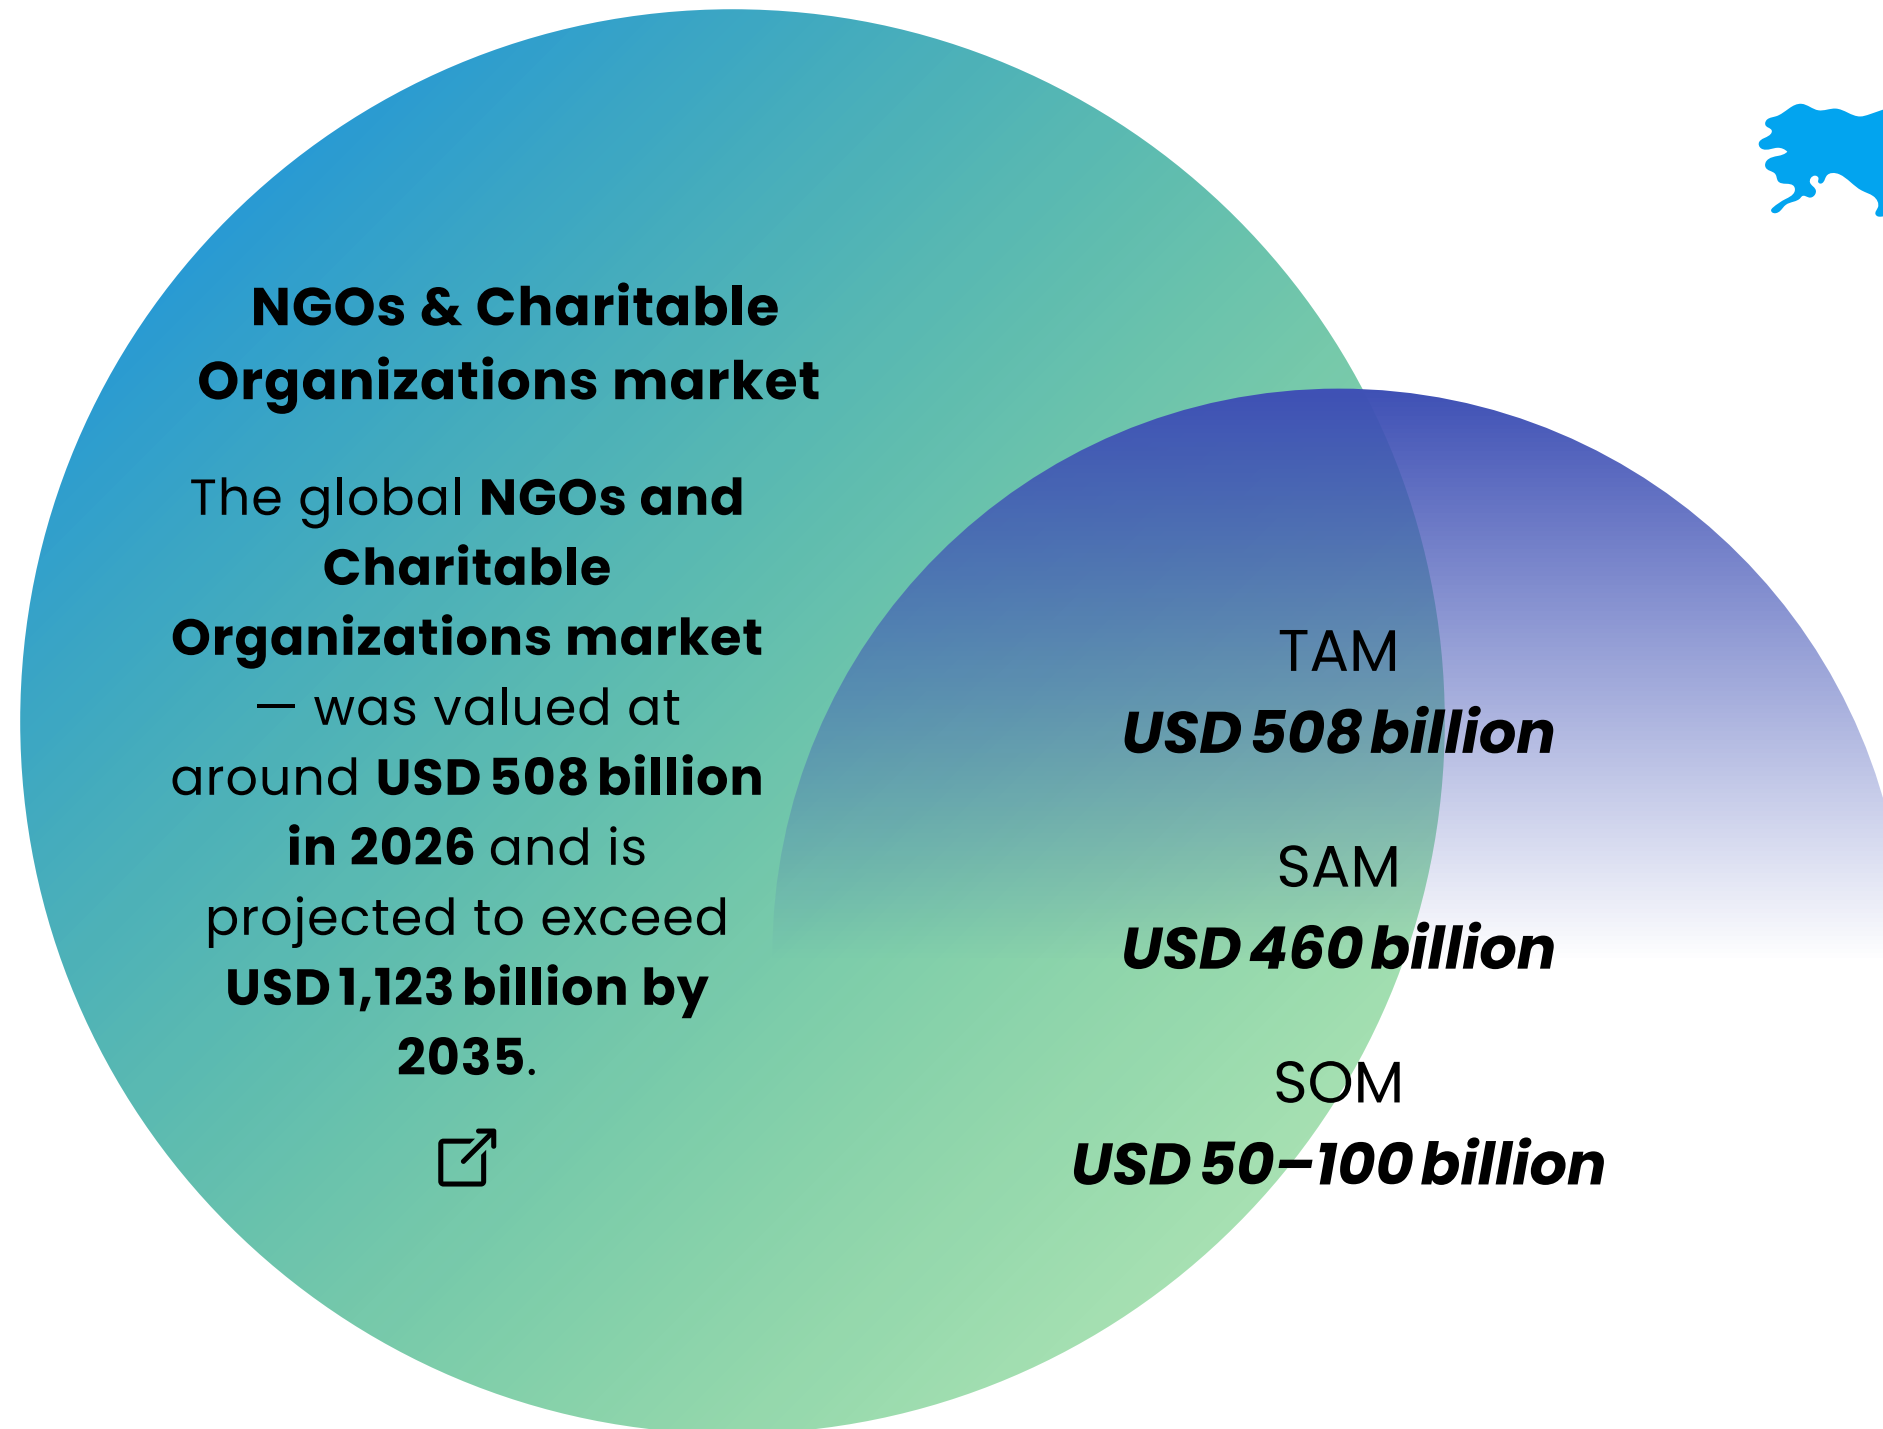

To implement **long-term solutions** that foster **health, education,** and **economic growth** in every community we serve.

AIM TO SCALE UP

Goal:

To expand our impact by providing disaster relief, healthcare, and education to underserved communities, creating lasting change and empowering individuals to be self-sufficient.

Short-Term Perspective:

- Reach 20+ new villages.
- Strengthen local volunteer networks.
- Develop digital tools for program management.

Long-Term Perspective:

- Expand to 100+ areas across India.
- Build a sustainable funding model.
- Establish self-sustaining community hubs.

COMPETITIVE ANALYSIS

Existing Solutions:

Organizations like **Goonj, Rapid Response**, and **Indian Red Cross** provide disaster relief, healthcare, and community support through established networks across India.

Issues with Existing Solutions:

These organizations face **resource limitations**, **limited reach** in remote areas, and struggle with **sustainable support** due to reliance on donations.

Our Edge:

- Focus on **specific community needs**, ensuring high-impact and relevant solutions.
- Work with **local organizations**, ensuring better access and quicker deployment in **remote areas**.
- Emphasize **long-term community empowerment** through **education**, skill-building, and **capacity-building** programs for lasting change.
